Please look at the information on the kennels to better help you choose an animal. All our dogs are assigned a personality color. Have children or other animals? See the kennel for child age recommendations and compatibility with other dogs. Other important information may also be on the kennel.

You are welcome to visit with multiple dogs. Please know we cannot reserve any dogs on your list while you decide who to adopt. Other people may visit with dogs on your list that you are currently not visiting. If you decide to adopt a dog, wonderful! Please let us know as soon as a possible so we can make the dog unavailable to other adopters and start the process of taking home your new companion.

All adoptions are same day.

Thank you for adopting!
